

Breaches happen. Luckily you have protection with IDShield.

Have you activated your IDShield account yet? Complete these few steps to start using your Identity Theft protection.

1. Create your account at [access.legalshield.com](https://access.legalshield.com) – or click here: [Sign In](#)
2. Set up your identity monitoring
3. Download the mobile app for IDShield

If you've already set up your account, make sure to activate your identity monitoring. Add the information that you want to monitor. Download the IDShield app to update monitored information or check your credit score on the go.
