Affordable Legal Action

Our mission for over 52 years

LegalShield provides access to legal services offered by a network of provider law firms to LegalShield members through membership-based participation. Neither LegalShield nor its officers, employees or sales associates directly or indirectly provide legal services, representation or advice. See a legal plan contract for specific state of residence for complete terms, coverage, amounts and conditions. IDShield is a product of Pre-Paid Legal Services, Inc. d/b/a LegalShield ("LegalShield"). LegalShield provides access to identity theft protection and restoration services. For complete terms, coverage and conditions, please see an identity theft plan. All Licensed Private Investigators are licensed in the state of Oklahoma. An Identity Fraud Protection Plan ("Plan") is issued through a nationally recognized carrier. LegalShield/IDShield is not an insurance carrier. This covers certain identity fraud expenses and legal costs as a result of a covered identity fraud event. See a Plan for complete terms, coverage, conditions and limitations related to family members who are eligible under the Plan. For a summary description of benefits for the Plan see <https://idshield.cloud/summary-of-benefits>.
